

WHAT'S THE TEE?

PRESIDENT'S MESSAGE

Hello Ladies!

I've heard only great things about the season opener—thank you to all who participated and worked so hard to make it a success!

I would like to thank Kelly Dumaresque, Patti Beck and Sandy Smith, three members of our Board that have recently had to resign for various personal reasons. They were valuable & dedicated members of our WGA Board, and their service will be greatly missed. Luckily, we can all look forward to being able to get out on the course and continue to play golf with them as WGA members in the future.

On behalf of the Board, I want to say how excited we are for the new season to get underway where we can celebrate and enjoy golf and each other in so many ways. We are bringing back Doubles Match Play that will start sometime in the coming months. Partnering with Patrick for new Coaching Series and events. A new format for Ringers as we evolve with the changing needs of the members. And of course, the events, tournaments and weekly games that we all like to play in.

Speaking of tournaments, we currently do not have any person (or persons as it is more fun with a friend) to chair the Member Guest tournament that is set for the weekend of the 7th and 8th of March 2026. Please strongly consider grabbing a friend and stepping up to chair this marquis event!

Thank you for your support of the WGA and I look forward to playing with each of you this year!

VICE PRESIDENT'S MESSAGE

Our 2025-2026 season opening tournament welcomed us with threesomes playing an ABCD Scramble. After a match of cards, Jolie Frankfurth, Ginger Kranick and Colleen Carpenter won First Low Net. Tiia Cartwright, Mary Hughes and Dana Davis won Second Low Net. Third Low Net went to Sheri Finn, Pat Cammarata and Beth Vergosen. The margarita theme was beautifully executed with sarapes and brightly colored flowers. Thank you to Kelly Dumaresque for organizing our tournament. And many thanks to the Hunter's Green servers and staff for a delicious luncheon.

Peace Love Golf!!

Mark your calendars! Sign-up with your partner! Member/Member is set for Saturday, November 7 and Sunday, November 8.

Tips from the Pro Shop

"When it's breezy, swing easy!"
Simple but effective. Take more club and swinging smoothly takes all the spin off the shot and it goes under the wind.

BASICS OF THE GAME

Make sure you pay attention to the dress code of the golf course. Most courses have guidelines regarding appropriate golf attire and non-metal spiked golf shoes. Please see Hunter's Green guidelines at:

[Golf Dress Code and Etiquette](#)

(Click to see code.)

All players are expected to play in the spirit of the game by:

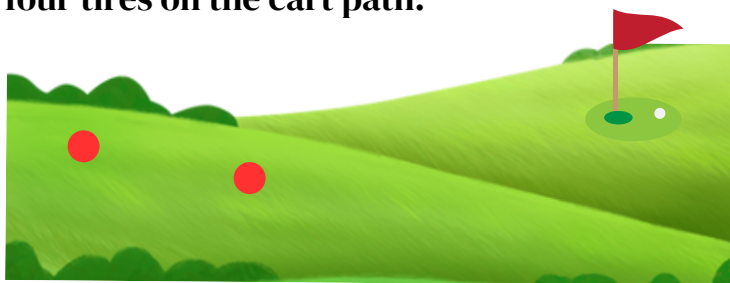

- Post scores to reflect fair handicap play by official rules so integrity of game and fairness exist. Only compete in tournaments if you keep an official handicap.

- Be courteous.

- Acting with integrity – for example, by following the Rules, applying all penalties, and being honest in all aspects of play.

- Showing consideration to others – for example, by playing at a prompt pace, looking out for the safety of others, and not distracting the play of another player with conversation or noise. If a player plays a ball in a direction where there might be a danger of hitting someone, they should immediately shout a warning, such as the traditional warning of “fore”.

- Taking good care of the course – for example, by filling your divots, raking bunkers, repairing ball-marks on the green, and not causing unnecessary damage to the course, follow the designated entry and exit posts and keep all four tires on the cart path.

Golf Etiquette

Repairing Ball Marks— Replacing ball marks is very important. Equally important is doing it correctly. The first step in repairing ball marks is to take your ball mark repair tool and insert the prongs into the turf at the edge of the depression. The second step is to push the edge of the ball mark toward the center, using your ball mark repair tool in a "gentle twisting motion". The last step is to gently tap down the repaired ball mark with your putter to smooth the putting surface.

Filling Divots— After you have taken a divot during play you must fill your divot with the mix provided in the divot mix box attached to your golf cart. Use enough divot mix to fill the divot and then use your foot to smooth over and tamp down the mix. If you are walking while you play and take a divot we ask that you replace your divot and tap down the replaced turf.

Raking Bunkers— After you have played your shot from the bunker you must rake the area where your club made contact with the sand, and your footprints. Pull the tines of the rake toward you as you begin moving toward the rim of the bunker. Please replace the rake on the outside edge of the bunker.

To maximize the use of the grass on the driving range tee, please place your ball at the grassy back edge of your previous divot removing just a small portion of grass each swing.
