

WHAT'S THE TEE?

PRESIDENT'S MESSAGE

Hello Ladies!!

It is great to see 2026 off to a fun start with WGA Golf in full swing!! The No Frills tourney was a super fun format and showcases another way that there is such a variety of ways to play, learn new things and keep the game exciting—all with beautiful weather and friendships! It was also a beautiful thing to see so many new faces join us for the day!

Doubles Match Play is also off to a great start—be sure to stop by the board in the locker room to see the bracket updates.

Now let's talk about the upcoming Cup Challenge! **GO TEAM RED!!** This event is always a blast as it is a format that is only played once a year in our tournaments. It is a similar style to the Solheim/Ryder Cup where players from two teams (red with me and Alex as team captains and blue with Colleen & Korey as team captains) are matched up to play match play golf. Many argue it is their favorite event of the year! Your entry fee gets you two fun days of golf with lunch after both days, a tee gift, awards and the Team Pairing Party with appetizers & a buff...and possibly bragging rights to if you come out as the winning team (GO RED) in the end! The event is on February 21st and 22nd, but we are having the Team Pairing Party on the 5th so please sign up ASAP on the website using this link <https://www.golfgenius.com/pages/11947346758150938384> so that you can find out which team you are on and get your "buff" (think of the show Survivor) at the February 5th Team Pairing Party.

Many have seen that Dianne Knight is back in town and it is so good to see her & her smile joining us for lunch following golf! Her tournament (Dianne Knight Classic) and the big Member Guest are just around the corner, and both are sure to be wonderful events!

Hit 'em far and straight!

Tips from the Pro Shop

When chipping, remember the 2-2-2 rule! This will promote a downward approach to the golf ball and an out to in swing adding spin!

- Choke up 2 inches on the club
- Push the butt of the club 2 inches left of your belly button (for right handed golfers)
- Drop the lead foot 2 inches back

HANDLING YOUR GOLF BALL

The proper way to pick up, clean and drop your golf ball.

1. After you properly mark your ball on the green it may always be cleaned. You must use an artificial object as a marker. There is a one stroke penalty if you use a natural item such as a leaf. If you ever hit the ball without removing your marker there is a one stroke penalty.
2. You must drop the ball from knee height in the designated relief area. If it hits your foot/equipment before touching the ground, you must redrop. If it hits your foot/equipment after touching the ground and stays in the relief area you must hit that ball. If you drop it outside the relief area you must drop it again inside the relief area with no penalty.
3. After dropping twice if the ball doesn't stay in the relief area, place your ball on the exact spot it touched the ground on the second drop in the relief area.
4. If you drop a ball in the wrong way (such as dropping it outside the relief area) and play it after it comes to rest in the correct relief area, there is one penalty stroke. If you drop a ball in the relief area that comes to rest outside the relief area and play it, you get two penalty strokes. You must always redrop the ball in the correct way.
5. Only if you think your ball is cut or cracked then you may lift the ball to look at it after marking the spot. You must not clean the ball except if you're on the green. One penalty stroke if you do not mark it, if you clean it or if you do not reasonably believe it is cut or cracked.
6. When are you not allowed to clean your ball? To see if it is cut or cracked, to identify it or if it interferes with play. You may not clean it to see if it lies in a condition where relief is allowed unless you then take relief under a rule.
