"We play, we laugh, and we improve every time we play together! We learn from each other because we have the most amazing ladies. We teach each other based upon each and every one of our experiences. We have an assortment of ladies that are beginners to those that have played for years. Therefore, we share, we enjoy each other's stories, and we enjoy laughing at ourselves. There is no better laughter than laughing at yourself! Trust me I do it often!" We welcome everyone. Come join the fun!" ~ *Rhonda Lyons*
