

“TWILIGHT NINERS”

In addition to our regular 9-Hole League, we also have another 9-hole league called “Twilight .”

This group is open to Hunter’s Green WGA golf members. The Twilight will play weekly on scheduled Thursday afternoons, weather permitting. The group meets at 5:00 pm. Play begins after the time change in the Spring runs through September. You may play as much or as little as your schedule allows.

In case of cancellation due to inclement weather, we will let you know as soon as possible via email. Please make sure to check your email if the weather looks questionable, you will be notified of cancellation Dawn Pontz on the day of the outing. Please keep in mind that during summer’s unexpected thunderstorms, the club may (for safety reasons), cancel our outing at a moment's notice.

For questions on the Twilight Niners, please contact Dawn Pontz at wgatwilight@gmail.com or call the Pro Shop at 813-973-1700.
